

NTX FSDO presents:

Single-Pilot IFR PAC for Safety!

Free for any instrument student, pilot, instructor, or DPE. Learn how PAC (Power+Attitude+Configuration=Performance) reduces workload and makes Single-Pilot IFR much safer. A fun and interesting discussion of PAC with special co-host Thomas Turner, Exec Dir of the American Bonanza Society Air Safety Foundation. Gary & Tom will talk about how accidents can be prevented, and how GA pilots can benefit from airline practices. The host is Gary "GPS" Guy in the Pink Shirt, Reeves a lead rep for the FAA Safety Team, and the 2019 FAA National CFI of the Year.

A special focus of this program is how instructors and pilots can benefit from using the FAA Safety WINGS program for all flight reviews and (IPCS).
